**RE: Docket 4686 –Storm Fund Replenishment Provision  
Compliance Filing**

Dear Ms. Massaro:

On behalf of The Narragansett Electric Company d/b/a National Grid (“National Grid” or the “Company”), enclosed, please find the Company’s compliance filing in the above-referenced docket. This compliance filing stems from directives that were issued by the Public Utilities Commission (“PUC”) at an Open Meeting that occurred on March 29, 2021. Specifically, the PUC directed the Company to (i) delete the expiration date contained within the Storm Fund Replenishment Provision (the “Tariff”) and (ii) amend the following sentence, contained in the fourth paragraph of the Tariff, so it reads as follows: “The provisions of this tariff will remain in effect until terminated or revised by the Commission from time to time.”

In accordance with the PUC’s directives, enclosed, please find a clean and redlined version of the Tariff. The new Tariff will be R.I.P.U.C. No. 2245 which will cancel R.I.P.U.C. No. 2177 effective April 1, 2021.

Thank you for your attention to this filing. If you have any questions or concerns, please do not hesitate to contact me at 401-784-4263.

Sincerely,

Andrew S. Marcaccio
